

**Certificate
09-094C3**

Initial type-testing

of
Glass fibre mesh "SSA - 1363 - 160"

**for use in External Thermal Insulation Composite Systems (ETICS) with rendering
according to ETAG 004/2000**

Manufacturing plant: JSC „Valmieras Stikla Šķiedra“
Cempu iela 13
LV-4201 Valmiera
LATVIA

Basis: Test report No. PB 1.3 / 10-206-2 from 15/12/2010 to the
MFPA Leipzig GmbH

Recorded performance features: Tests according to annex C of the ETAG guideline 004

- Mass per unit area
- Ash content at 625 °C
- Mesh size of the reinforcement
- Elongation in the as-delivered state and after ageing

The certificate only applies to the test results indicated in the above-mentioned test report of the examined glass fibre mesh. The requirements after ETAG 004 are fulfilled.
